

# Bristol Village SIGHT & SOUND 2020

Teams are responsible for all events occurring during their weeks.

Those seeking S&S assistance should fill out and return the Program Set-Up Request form found on the door of the S&S Booth no less than one week in advance of an event. If there are questions or special a/v requirements, contact the appropriate **Team Leader** by phone and/or e-mail.

In addition to the standard *Set Up Request Form* found on the door, we have added two additional information sheets: *A Power Point Presentation Issues* sheet to be *given to presenters* when computer presentations are to be part of a program; and a *Bristol Village Sight & Sound Information for Presenters* sheet which visually shows them our main hall and summarizes equipment that is available.

Please provide set up request forms **at least one week** before a program. The earlier you are in touch with the Team Leader, the better job we can do in producing and airing your program. **Do not hesitate to contact us during program planning.**
